Strategic Roadmap & Execution Timeline

06 · STRATEGIC ROADMAP

01

Harvest & Defend

AI + SaaS (Cash Cows)

Protect the \$2.4M MRR base.
Optimize monetization and retention
over aggressive user acquisition.

02

Double Down

Marketing, EdTech, Analytics

Direct fresh capital here first. Real
revenue coupled with strong growth
momentum.

03

Selective Bets

Dev Tools + Fintech

Small but fast-growing categories.
Back only top-quartile teams with a
clear wedge.

04

Build New

Customer Support & HR

Launch or acquire early movers in
high-demand, underbuilt segments.

 **Geographic Overlay:** Defend scale in the US • Follow the B2B premium in Singapore • Scout Brazil early before overcrowding.
